---

Angela and Matthew—thanks for the long call this morning also thanks for the response to our request for help. Cheryl and I will work on getting back to you (I am home this week—broken foot). Below is an example email we are sending to delegates for the 1<sup>st</sup> meeting. Thought I would pass along to you all so you know what is happening. Would be great if you all could attend.-Melissa

**Subject:** 1st Meeting of the Delegates Table to the Human Health Criteria Policy Forum

Dear Mr. Parnel

Kelly Susewind sent you a letter in August asking for a delegate to represent your stakeholder group at the Policy Forum Delegate's Table for the Human Health Criteria development process. We are considering October 29<sup>th</sup> or 31<sup>st</sup> as a potential date for the first Delegate's Table and Policy Forum. We expect this to be an all day meeting. The first meeting of the Delegate's Table and Policy Forum follows up on the introductory workshop we held on August 28<sup>th</sup>.

Our intent is to orchestrate the Delegate's Table and Policy Forum in a similar format to the August 28<sup>th</sup> workshop, where any interested person has the ability to listen to the Delegate's Table conversation from Ecology's regional office video conference rooms. We want the delegates to participate in person. For this first Policy Forum Delegate's Table, we would like to have all the Delegates attend in person at Ecology's headquarters' office in Olympia.

Will you please identify the delegate for your stakeholder group and send me their contact information by October 1<sup>st</sup>? Please share the potential October dates with the designated delegate as well. We will select the final date

according to availability of the Delegates.

If you have any questions or concerns, please call me (360-407-6461) or Becca Conklin (360-407-6413).

Thanks. Melissa

Section Manager, Water Quality Program
